### HOTLIPS Art Action

These workshops are a part of HOTLIPS Art Action, a series of events and artworks that express the working philosophy that sensory experiences enhance life, and that art, like pizza, is an irreducible ingredient for a healthy society. HOTLIPS is a local family-owned company with 5 restaurants in Portland, a central kitchen and a soda operation. Perennially ranked among the best in Portland for great food and its use of locally sourced and ingredients. Founded in 1984, HOTLIPS continues to be recognized locally and nationally as a leader in sustainability. [www.hotlipspizza.com](http://www.hotlipspizza.com).
