

Soy un Sonador (I am a Dreamer)  
Mariah Williams

Who am I?  
What a beautiful question  
What a simple answer

I am a dream  
And in this dream  
I am a voice  
A voice that speaks  
But is never heard

I am the wind  
I blow  
And though  
I may face obstacles  
I will become stronger

I am a bird  
A bird that sings  
To flee her cage

I am a plate  
A plate that yearns  
To be filled

I am a light  
Shining brighter every day

I am a canvas  
A canvas who sits alone  
Waiting for color  
And a chance to be amazing

I am a hand  
A hand who reaches out  
To touch your hand  
But instead  
Touches your heart

I am the sky  
Ever changing  
But never leaving

I am a person  
A person who runs by  
And causes a scene

I am a seed  
A seed that waits  
Underground for water  
So that I can rise  
And bloom

I am eyes  
Eyes who see everything  
But fail to say a word

I am a dream  
And soon  
I will come true

As you see  
I am the universe  
I will help you

I will be your tree  
To lean on  
So long as  
I can lean back

I will never  
Tie a knot  
In your plans  
But I will tie a knot  
In your rope  
So that when you  
Reach the end of it  
You won't slip away

I will be your tree  
I will be your eyes  
I will be your seed  
I will be your sky  
Just as long as  
I can be your dream

Dear friend  
Do not argue  
For I am you  
And you are me

I am a dream  
If you sleep  
You will dream  
If you dream  
You will happen
