SPONSOR OPPORTUNITIES

You're invited to Raise Your Pen 2022, Write Around Portland's signature fall fundraising event!

After two years online, we're thrilled to announce the return of everyone's favorite literary bash. This year's event will welcome 150 artists, community leaders, and philanthropic donors for a magical night of fun prizes, delicious bites from Erica's Soul Food, and inspiring stories. **Please join us as we celebrate our writers' work and our vision to improve access to the arts for everyone!**

This year's event will be held at **7:00 PM on Friday, October 21, 2022**, at Vitalidad Movement Arts & Events Center (116 SE Yamhill St., Portland OR 97214).

About Write Around Portland: We run a free creative writing and publishing program for the people in our community with the least access to the arts. Our workshops take place in hospitals, shelters, schools, treatment facilities, and low-income housing, improving mental health and amplifying voices that aren't often heard.

All event proceeds will support Write Around Portland's mission to change lives through the power of writing.
